

# IIEC 2017 - Accommodation guidance

Specific hotel and accommodation arrangements are not being handled by the conference organisers directly, but there are a wide variety of places to stay near to the venue, in and around Barnsley, Sheffield and Rotherham.

We trust the following list of suggestions may prove useful, being within 20 miles or under half an hour's drive of Elsecar Heritage Centre, though the list is by no means exhaustive.

NB the major regional towns of Doncaster, Wakefield, and Pontefract are further away by road and so have not been included, though the above map indicates a 20 mile radius for reference.
